

## CERTIFICATE OF APPRECIATION - N. TRAN BAKERY

Recently, Aphasia Victoria was asked to give a presentation to the Vietnamese Australian Seniors Association of Victoria (VASA) about aphasia. Mimi and Konrad prepared a talk using a lot of PowerPoint slides. To assist the VASA members to understand the presentation Mimi thought it would be helpful to have the slides translated into the Vietnamese language.

Mimi and Konrad have long been customers of the **N. Tran Bakery** in Chapel Street, Prahran. The staff have always been welcoming, cheerful and friendly. Mimi asked for help in providing us with the translation. Ms Ngoc Phan went to great trouble to provide the translation of each slide, ready to be copied straight into the presentation.

The members of VASA really appreciated our efforts to present information about aphasia in their first language.

On 17 April, Mimi and Konrad had great pleasure in presenting to **N. Tran Bakery** a Certificate of Appreciation from **Aphasia Victoria Inc.**
